

# Plumbing & Heating - with Altecnic quality.

Altecnic products are chosen by trade merchants, original equipment manufacturers, plumbing and heating engineers and specifiers because of their quality and reliability.

Our ISO 9001:2008 and 14001:2004 certification reinforces our quality and environmental commitment. Our products are supported by our national sales team and in-house technical department.

Take a look at the Altecnic range at [www.altecnic.co.uk](http://www.altecnic.co.uk). Then tell us what you need - and get the quality of Altecnic behind you.
