

Meet our re**NEW**ables

A.O. Smith: supplier of hot water systems presents heat pumps (AH & AHD) and fully integrated complete solar systems (SGE & SGS) with:

- Unique single integrated solar hot water controller (SGE & SGS) maximizing solar contribution,
- High efficiency solar collectors with in built drain back eliminating stagnation problems and high storage requirements,
- Buffer vessels from 300 litres to 3000 litres,
- Comprehensive ancillary parts to allow for easy installation,
- Full support from BPEC qualified staff thru design, installation and maintenance.

A complete bespoke solar system from one supplier with guaranteed maximized solar contribution.
