

270 kW TO 1700 kW

# AQUAFORCE™

AIR-COOLED LIQUID CHILLER

## THE FORCE IS WITHIN

Incorporating the best Carrier technologies, the Aquaforce 30XA air cooled liquid chiller delivers long-term optimised performance and exceptional energy efficiency. Designed in 20 models with capacities of 270 – 1700 kW and available in two versions, the Aquaforce is guaranteed to meet the needs of both industrial and commercial applications. Version one offers extremely low sound power levels of just 90 dB(A)\*, version two delivers unequalled energy efficiency, an EER of 3.29\*\* is achievable making Aquaforce one of the few chillers to achieve Energy Label Class A.
