

Lighting up the air flow industry

**GDL's manufacturing capability extends to over 3000 air distribution products...
and that is just our standard product range...**

We pride ourselves on our specialist skills in designing tailored air flow distribution solutions that work to your exact requirements, an example being our new **SwirlLight** diffuser shown here.

From product design through to manufacture and installation, GDL make designing and specifying air distribution a one-step process. Talk to our Technical Engineers today about your exacting or standard product needs.

**GRILLES
DIFFUSERS
LOUVRES
DAMPERS**

Our up-to-date Technical Catalogue showcases our standard product range, available in printed copy or to download from our website at www.grille.co.uk
